A message for you and your family:

- Please wear a mask when visiting our clinics
- If your respiratory symptoms are mild, please stay home with good self-care
- If your respiratory symptoms are more acute, please call or walk-in to either Monfort Family Clinic or Loveland Community Health Center
- For non-respiratory issues that need to be seen, call or walk-in to any of the open clinics
- Thank you for your understanding & flexibility during these unprecedented times
